

ENRD Workshop

**‘Stakeholder Involvement: Monitoring  
Committees and the Partnership Principle’**

22nd October 2019

Brussels

## CROATIAN CHAMBER OF AGRICULTURE (CCA)

Mladen Jakopović, president of the CCA

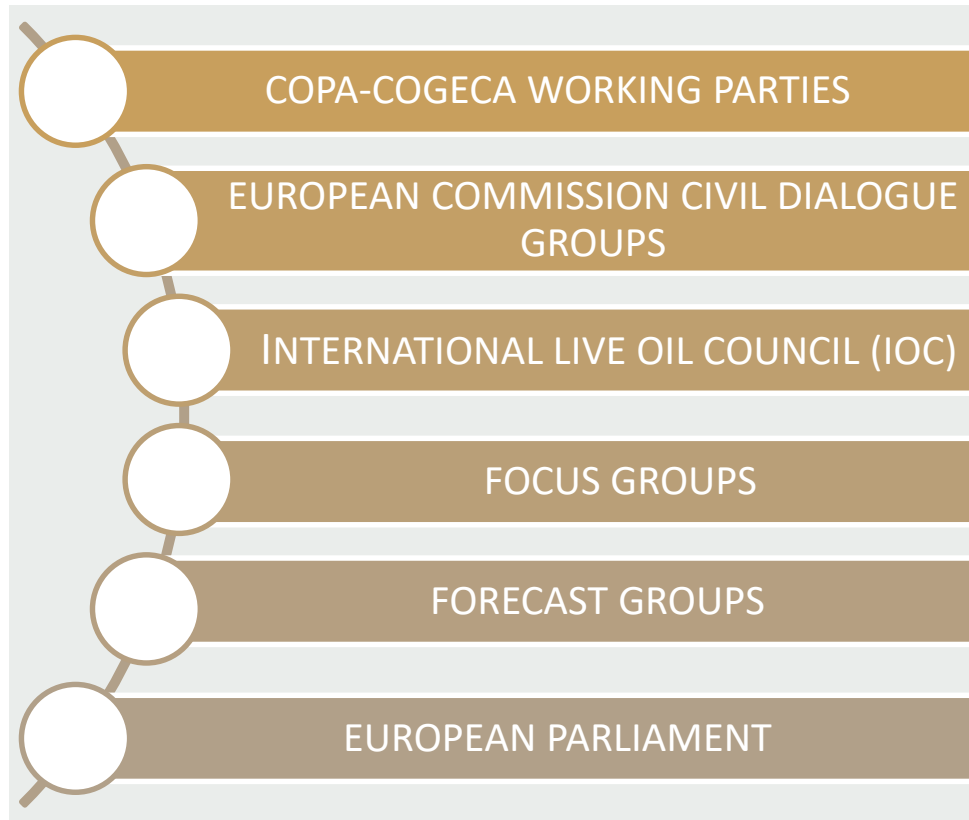

- The only national organization of farmers established by the Croatian Parliament in 2009.
- The umbrella organization of associations, cooperatives, family farms, businesses and trade in agriculture.
- 75000 family farms.
- Full member of the of the Copa, Cogeca, Geopa, WFO.
- The only organization of agricultural producers participating in the work of nearly 30 committees, councils and other government bodies and municipalities.

## REPRESENTATION OF INTEREST ON A NATIONAL BASIS

- The Parliamentary Committee on Agriculture
- Cabinet of the President of the Republic of Croatia - The Council for Economic Affairs
- Committees of the Ministry of Agriculture:
  - 13 councils
  - 19 boards
  - 4 committees
  - Croatian Rural Development Network

## REPRESENTATION OF INTEREST ON AN INTERNATIONAL BASIS

## WHAT THE CCA DOES FOR FARMERS?

- **Represent their interests** (access to preparatory documents of the European Commission and the European Parliament, finding and articulating best possible solutions).
- **Keep them informed** (regular information about current events in agriculture, negotiations and competitions on a national and international level).
- **Educate and organise the events** (organising professional visits abroad and domestically, organising roundtable discussions, conferences and lectures (making promotional and financial plans, selection of lecturers).
