A range of options for EU clusters to engage in projects development

EU funding can be used:

- **THROUGH** clusters channelled to final recipients, in particular SMEs (like Innosup-1 projects with cascade funding) (like Euroclusters)
- **WITH** clusters to provide specialised services to any economic actor in need e.g. technological advise, upskilling , access to finance)
- **BY** clusters to mix private and public, align local, regional, national and EU funding, reach out to financial providers across EU territory
- **FOR** clusters to build their capacity to facilitate collaboration, capitalise technological and market intelligence, offer services
